

# Combined Federal Campaign of the CSRA 2008 Report to the Community

*Be a Star in Someone's Life*

## Letter from the Chair

The 2008 Combined Federal Campaign has been a true victory for those in need as well as a testament to the astounding generosity of our federal employees. At the onset of the campaign, federal employees were challenged to “Be a Star in Someone’s Life.” The federal workforce of the CSRA has proven itself to exceed this challenge with pledges and donations totaling over \$841,000. Nearly 2,000 local, national and international charities will benefit from these contributions to assist those in need. As Chair of our local Combined Federal Campaign Board of Directors, it is a pleasure to be part of and represent such a selfless federal family. We are proud of our accomplishments and look forward to the 2009 Combined Federal Campaign.

Sincerely,

**Rene B. Suggs**

*Interim-Chair*

Combined Federal Campaign of the CSRA Board of Directors  
United States Postal Service

## Special Developments of the 2008 CFC

The CFC of the CSRA would like to thank our retired chair, Terry Smith, for his eleven years of service to the Combined Federal Campaign of the CSRA. Under his leadership, the CFC of the CSRA experienced unprecedented growth. Terry has proven himself to be a zealous volunteer, an unmatched community advocate, and true inspiration to those who have served with him on the Board of Directors.

2008 marked the launch of the Combined Federal Campaign of the CSRA official website. The website is the one-stop shop for federal employees to learn more about the CFC, find their favorite charities, or make a donation. Please feel free to visit us anytime at [cfcofthecsra.org](http://cfcofthecsra.org).

### 2008 Combined Federal Campaign of the CSRA Board of Directors

**Terry Smith, Chair**  
Fort Gordon

**Thomas Gutmann, Vice-Chair**  
Department of Energy

**Rene Suggs, Interim Chair**  
United States Postal Service

**Lila Bailey**  
Social Security Administration

**Susan Boyd**
