INDEPENDENT AUDITORS' REPORT

To The Board of Directors
United Way of the Central Savannah River Area, Inc.
Augusta, Georgia

Opinion

We have audited the accompanying financial statements of United Way of the Central Savannah River Area, Inc., which comprise the statements of financial position as of December 31, 2021 and 2020, and the statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of the Central Savannah River Area, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Information section of our report. We are required to be independent of United Way of the Central Savannah River Area, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of the Central Savannah River Area, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Information

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way of the Central Savannah River Area, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of the Central Savannah River Area, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 11, 2022, on our consideration of United Way of the Central Savannah River Area, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the United Way of the Central Savannah River Area, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering United Way of the Central Savannah River Area, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ACTIVITIES - Incorporated in 1951, United Way of the Central Savannah River Area, Inc. (“United Way” or “United Way of the CSRA”) conducts the annual United Way fundraising campaign and distributes the monies to other charitable organizations. United Way also provides planning and other forms of support to numerous charitable organizations in the Central Savannah River Area. United Way of the CSRA unites people and mobilizes community resources to create lasting changes that transform lives. United Way, which is governed by a volunteer Board of Directors, is committed to complying with United Way Worldwide Cost Deduction Standards.

NET ASSETS - The Organization's net assets are classified as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of United Way’s management and the Board of Directors.

Net assets with donor restrictions - Net assets that are subject to stipulations imposed by donors and grantors. Some donor restriction depending on the existence and/or nature of any donor-imposed restrictions. Net assets with donor restrictions are reclassified to net assets without donor restrictions when the donor restrictions have been met. The Organization chooses to show contributions with donor restrictions (including contributions of long-lived assets) whose restrictions are met in the same reporting period as contributions without donor restrictions.

ESTIMATES - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

QUASI-ENDOWMENT FUND - In 2018, United Way of the CSRA entered into an agreement with The Community Foundation of the CSRA (the “Foundation”) to establish and maintain a quasi-endowment for the purpose of providing long-term support for the ongoing operations of the United Way of the CSRA. The fund totaled \$49,002 and \$40,801 at December 31, 2021 and 2020, respectively and is included in beneficial interest in assets held by Community Foundation. The funds maintained at the Foundation are included in net assets with donor restrictions in the accompanying statements of financial position.

SUPPORT AND EXPENSES - Contributions received and unconditional promises to give are measured at their fair value and are reported as an increase in net assets. United Way reports gifts of cash and other assets as support with donor restrictions if they are received with donor stipulations that limit the use of donated assets, or if they are designated as support for future periods. When a donor restriction has been met, that is when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period are reported as support without donor restrictions. Donor designated contributions are reported as reductions to United Way’s support.

UNITED WAY OF THE CENTRAL SAVANNAH RIVER AREA, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

United Way reports gifts of goods and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit donor restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulation about how long those long-lived assets must be maintained, United Way reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

When material, unconditional promises to give receivable more than one year from the statement of financial position date are stated at their present value using a discount rate commensurate with the uncertainty involved. Favorable variances on United Way's provision for uncollectible pledges are recognized as contributions, whereas unfavorable variances are recognized as bad debts expense. Both are recognized in the year the variance occurs.

Expenses are recorded when incurred in accordance with the accrual basis of accounting.

PROGRAM SERVICE ACCOMPLISHMENTS - United Way's programs are described below:

Program Service Accomplishments:

Grant Awards for Local Programs

Using contributions from the annual campaign, United Way of the CSRA distributes funds to 40 health and human service programs at 27 partner agencies. Program grant requests are made annually and include budget information as well as proposed impact of funds. Quarterly success stories, outcomes logic models, and annual total service reports are required under United Way's partnership agreement. Partner agencies also submit annual IRS Form 990s and audits as per UW policies.

These funded programs are reviewed annually by groups of community volunteers to ensure appropriate usage of funds. Volunteers complete site visits and in-depth reviews of program accomplishments. Funding is targeted towards programs demonstrating an impact on the community. United Way's funding policies are designed to ensure the greatest accountability for donors' funds and the greatest impact on individuals in our local community.

Funded Programs achieve outcomes within the following impact areas:

- 1) *Childhood Success*
- 2) *Youth Success*
- 3) *Workforce Development*
- 4) *Access to Resources*

211 Information and Referral Program

The concept of 211 – an easy to remember 3-digit dialing code that connects people with professionally delivered information and referral to health, community, and human services – was born in Atlanta in 1997 through the leadership of United Way of Greater Atlanta.

UNITED WAY OF THE CENTRAL SAVANNAH RIVER AREA, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Locally, 211 has significant impact on the quality of life throughout the community. In 2021, United Way of the CSRA's 211 information and referral specialists assisted 23,000 callers and web inquiries. In addition, 211 provided support to specific agencies that offered direct service in the area of emergency shelter, emergency rent and utility assistance. Providing a database of wide-ranging volunteer opportunities assists non-profit agencies in every sector of the community in maintaining a supply of dedicated, enthusiastic workers and donors to fulfill the mission of their organization. 211 is there when people need it, a vital, proven part of the human service infrastructure.

Emergency Rent and Utility Assistance

In addition to the usual referrals made by 211 information and referral specialists, United Way of the CSRA partnered with Augusta-Richmond County's Housing and Community Development department to provide rent and/or utility assistance to Richmond County residents impacted by COVID-19. Funding for this program is provided by the US Department of Treasury's Emergency Rental Assistance (ERA) Program as a part of the COVID-19 Economic Relief package of the American Rescue Plan. Support for families included up to 12 months in rental arrears, past due power, water, and gas bills as well as an additional three months of prospective rent if required for the family to remain stably housed. United Way received \$5,486,367 to assist with our internal capacity to administer the program as well as the funding for the direct services to clients. We provided assistance to 1,412 households with \$5,476,826 assistance in 2021.

Rent and Utility Assistance is the primary need of those individuals using the 211 Information and Referral services. United Way of the CSRA uses additional donations, such as proceeds donated from the annual Guitar Pull event sponsored by Beasley Broadcasting Group and other private donations designated for this specific purpose, to provide services to people in need who may not qualify under the ERA Assistance program specific to Richmond County. These funds provided 281 additional households with rent and/or utility assistance for 2021. These households included families of Richmond County, but also families of surrounding counties.

AmeriCorps VISTA (Volunteers in Service to America)

United Way's AmeriCorps VISTA program, Project UNITE, is part of the national service program designed specifically for the purpose of fighting poverty. United Way serves as a regional intermediary agency and is assigned up to 17 AmeriCorps VISTA members who serve full-time for one year with area schools for capacity building in the area of parent and community engagement. AmeriCorps VISTAs help build human capacity, financial capacity, and social capacity in host sites and/or schools where they are assigned. United Way of the CSRA receives support funds necessary for regional program supervision and oversight from the Corporation for National Community Service. In 2021, this program served the Richmond County Wraparound Service Center and 5 Columbia County schools, engaged more than 238 volunteers, and leveraged over \$53,500 of cash (grants, donations, and fundraising) and non-cash resources (in-kind goods and services) to support community nonprofits, and identified numerous partnerships.

Additional United Way of the CSRA Program Services

Single Care Prescription Assistance

Through the Single Care prescription assistance card program (formerly called FamilyWize), United Way saved the community \$216,559 in 2021. These free-of-charge prescription discount cards offered by United Way were used by 2,569 people through five local counties. Single Care cards can be used by anyone, insured or uninsured, for prescriptions and offer an average savings of approximately 40% or more. Since its local launch in 2007, Single Care has provided a total savings of \$2,794,044 to CSRA residents.

Other Grants and Initiatives

Through other special grants, initiatives and collaborations, United Way positions itself as a community leader in addressing needs. These projects include additional federal, state, and local grants, special assistance, community engagement, early childhood training and education, and a host of other projects. United Way seeks out collaborations with the corporate, non-profit, faith-based, government, civic and educational communities and continually engages new partners and strategies. Some of the impacts made in 2021 include those listed here.

- Partnerships with the private sector, as well as the Richmond County, Columbia County, Burke County and Wilkes County school system, supported our annual Stuff the Bus back to school event. Donors contributed 15,344 school supply items valued at \$37,367. These items were sent directly to the school systems for distribution by the counselors and social workers to children in need.
- The AmeriCorps VISTA members collected 8,457 hygiene products valued at \$16,650 from the community at large to support local shelters. The hygiene products are put into personal care kits for homeless or transient individuals coming into the shelters with no personal items. These items are vital to a person's health and overall sense of well-being.
- Our 211 team reaches out to Bombas each year for donations of socks. These socks are gifted to the local school systems for children to receive when needed. In 2021, Bombas provided 5,000 pairs of socks. This allowed for us to also provide socks to the local homeless shelter.
- United Way receives funds from a grant and Lyft partnership called Ride United. This allows the 211 team to reserve Lyft rides for callers in need of transportation. In 2021, 412 Lyft Rides were provided for people in need of transportation to jobs, medical appointments, and school.
- The EAT UP program is funded by a grant from Kroger. This provided food donations to those facing food insecurity. The donation may be in the form of a food order delivered to shut-ins, Kroger gift cards specifically to families who can shop for themselves, or through a grocery order placed and picked up by a caregiver. In 2021, 153 individuals received assistance at a value of \$5,070.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Donated services and goods

Approximately 530 volunteers have donated approximately 8,901 hours to United Way's program services and fundraising campaign during the year; however, these donated services are not reflected in the financial statements since the services do not meet the requirements to be recorded under generally accepted accounting principles.

Materials and other assets received as donations are recorded as in-kind and reflected in the accompanying financial statements at their fair values at the date of donation. The in-kind reflected in the accompanying financial statements also includes expenses of \$329,743 and \$750,065 for the year ended December 31, 2021 and 2020, respectively, paid for grants administered by United Way and paid by other agencies.

CASH AND CASH EQUIVALENTS - United Way considers all highly liquid investments with a maturity at the time of purchase of three months or less to be cash equivalents. United Way places its cash and cash equivalents with high quality financial institutions. At times, such balances may be in excess of the Federal Deposit Insurance Corporation (FDIC) Insurance limits. Management believes the Organization is not exposed to any significant credit risk on United Way's cash and cash equivalents.

RESTRICTED CASH - Cash identified on the statement of financial position as restricted cash represents funds received and held for donor and grantor designated purpose.

AVAILABILITY OF FUNDS FOR GENERAL EXPENDITURES - United Way has certain net assets that are available for general expenditures within one year of December 31, 2021 and 2020 based on conducting the normal activities of its programs in the coming year. Accordingly, the related resources have been included in the quantitative information detailing the financial assets available to meet general expenditures within one year (See Note 2).

PROVISIONS FOR UNCOLLECTIBLE PLEDGES - A provision for uncollectible pledges is computed based upon a historical average adjusted for management estimates of current economic factors and applied to the accounts receivable balance at year end. (See Note 3).

EQUIPMENT - Equipment with a useful life of greater than one year and with a cost of \$1,000 or more is considered a capital asset. Equipment is recorded at cost (or fair value of donated assets) and is depreciated using the straight-line method over an estimated useful life of 3-7 years.

DEFERRED REVENUE - Deferred revenue consists of grant amounts received but not yet expended for the grant of designated purposes.

ADVERTISING COSTS - Advertising costs, including amount within in-kind separately stated on the statements of functional expenses, are expensed as incurred and totaled \$6,265 and \$28,287 for the years ended December 31, 2021 and 2020, respectively.

UNITED WAY OF THE CENTRAL SAVANNAH RIVER AREA, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

INCOME TAXES - United Way is not-for-profit organization that is exempt from Federal Income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, United Way has been classified as an organization that is not a private foundation under Section 509(a)(2). United Way is not aware of any material uncertain tax positions as of December 31, 2021.

EXPENSE ALLOCATION - The costs of providing various programs and activities have been summarized of a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

Expenses of the United Way include:

Program services expenses - Program services expenses include direct costs associated with providing funding to other charitable organizations, fulfilling grant obligations, funding the community investments, and running the 2-1-1 information and referral program.

Management and general expenses - Management, general, and marketing expenses included the general, administrative, and operating costs of United Way.

Resource development and fundraising expenses - These expenses include costs incurred from soliciting donations through workplace campaigns, special events, and other activities that raise resources for United Way and the community.

The statements of functional expenses present expenses by function and nature classification. Expenses directly attributable to a specific functional area of United Way are reported as expenses of those functional areas. A portion of general and administrative costs that benefit multiple functional areas (indirect costs) have been allocated across programs and other support services based on the proportion of full-time employee equivalents of a program or other support service versus the total organizational full-time employee equivalents.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, health & life insurance, retirement, payroll taxes, supplies - office, telephone, occupancy, general insurance, a portion of gifts in-kind, depreciation expense of equipment, and United Way Worldwide investment, which are allocated on the basis of estimates of time and effort. The remaining expenses do not require allocation and are directly attributable to a specific functional area and are therefore reported as such.

SUBSEQUENT EVENTS - The Organization has evaluated subsequent events through May 11, 2022, the date the financial statements were available to be issued.

UNITED WAY OF THE CENTRAL SAVANNAH RIVER AREA, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 2 - LIQUIDITY

The Organization's financial assets available within one year of the balance sheet date for general expenditure are as follows at December 31:

	<u>2021</u>	<u>2020</u>
Cash	\$ 1,552,659	\$ 1,813,729
Pledges receivable, net	331,350	545,629
Accounts receivable, net	<u>309,943</u>	<u>8,549</u>
	<u>\$ 2,193,952</u>	<u>\$ 2,367,907</u>

As part of its liquidity management plan, United Way has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations become due. Additionally, United Way invests excess cash in short-term investments, including interest bearing checking and savings accounts.

NOTE 3 - PLEDGES RECEIVABLE

Included in pledges receivable are the following unconditional promises to give at December 31:

	<u>2021</u>	<u>2020</u>
2019 Fall campaign	\$ -	\$ 391,908
2020 Fall campaign	249,793	440,221

UNITED WAY OF THE CENTRAL SAVANNAH RIVER AREA, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 4 - BENEFICIAL INTEREST IN ASSETS HELD BY THE COMMUNITY FOUNDATION

During 2018, the Organization transferred assets to The Community Foundation for the Central Savannah River Area (the “Community Foundation”) which is holding them as endowed component funds (“Funds”) for the benefit of the Organization. The assets transferred to the Funds include assets with donor restrictions for the quasi-endowment fund and assets with donor restrictions for the United Service Organization. The Organization has granted the Community Foundation variance power which gives the Community Foundation’s Board of Directors the power to use the Funds for other purposes in certain circumstances. The Funds are subject to the Community Foundation’s investment and spending policies. The Community Foundation’s Board of Directors has established an annual spendable amount which is available for distribution from the Funds each year. Currently, this spendable amount is 4.5% of the three-year average of the annual fund balance. The Organization’s representatives may request different distributions from the Funds as they see fit, subject to the Community Foundation’s approval. Any portion of the income and earnings not expended in any given year will be accumulated and reinvested by the Community Foundation. Such accumulations are defined as income and are available for use in subsequent years to sustain the mission of the Organization. The Organization reports the fair value of the Funds as Beneficial Interest in Assets Held by the Community Foundation in the statements of financial position and reports distributions received as investment income, when applicable. Changes in the value of the Funds are reported as gains in the statements of activities.

Changes in Funds for the year ending December 31 are as follows:

	<u>2021</u>	<u>2020</u>
Beginning balance	\$ 133,174	\$ 120,175
Share of gain of pooled investments	21,398	14,386
Administrative fees	<u>(1,684)</u>	<u>(1,387)</u>
	<u>\$ 152,888</u>	<u>\$ 133,174</u>

Funds, stated at fair value, at December 31, 2021 and 2020 consisted of pooled investments.

NOTE 5 - FURNITURE AND EQUIPMENT

The following is a summary of furniture and equipment at December 31:

	<u>2021</u>	<u>2020</u>
Furniture and equipment	\$ 110,631	\$ 88,969
Less accumulated depreciation	<u>(87,802)</u>	<u>(84,745)</u>
	<u>\$ 22,829</u>	<u>\$ 4,224</u>

UNITED WAY OF THE CENTRAL SAVANNAH RIVER AREA, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 6 - PAYROLL PROTECTION PROGRAM LOAN

The Organization has experienced a disruption of normal business operations caused from COVID-19 (“Coronavirus”) during 2020 and 2021. The financial impact determined through the date of this report is minimal; however, it is reasonably possible that changes in risks in the near term could occur which could result in a material change to future financial statements.

The Organization received 100% loan forgiveness of the principal totaling \$175,157 and interest of \$1,806 in May 2021. The forgiveness is recognized as other income during the year ended December 31, 2021.

NOTE 7 - NET ASSETS AND RESTRICTIONS

Net assets with donor restrictions are restricted for the following purposes or periods at December 31:

	2021	2020
Subject to expenditure for specified time:		
Fall Campaign (2021 and 2020)	\$ 668,790	\$ 756,429
Subject to expenditure for specified purpose:		
United Service Organization	80,000	80,000
COVID 19 Relief	-	41,659
Various local initiatives	42,776	54,217
Quasi-endowment fund	31,575	35,393
Total net assets with donor restrictions	\$ 823,141	\$ 967,698

NOTE 8 - FAIR VALUE MEASUREMENTS

The framework used to measure fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Quoted prices in active markets for identical securities that the Organization has the ability to access
- Level 2: Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment spreads, credit risk, etc.)
- Level 3: Significant unobservable inputs (including the Organization's own assumptions in determining the fair value of investments)

The inputs and methodology used for valuing the Organization’s financial assets and liabilities are not indicators of the risks associated with those instruments. There have been no changes in the methodologies used.

UNITED WAY OF THE CENTRAL SAVANNAH RIVER AREA, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 8 - FAIR VALUE MEASUREMENTS (continued)

Pooled investments - The investments maintained at the Community Foundation for the Central Savannah River Area are valued at the amount provided by the Community Foundation at December 31, 2021 and 2020 based on the Foundation's proportionate share of the total fair market value of the Foundation's pooled investment account.

	<u>Fair Value</u>	<u>Quoted Market Prices in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
<u>2021</u>				
Pooled investments	<u>\$ 152,888</u>	<u>\$ -</u>	<u>\$ 152,888</u>	<u>\$ -</u>
<u>2020</u>				
Pooled investments	<u>\$ 133,174</u>	<u>\$ -</u>	<u>\$ 133,174</u>	<u>\$ -</u>

NOTE 9 - RETIREMENT PLAN

The Organization sponsors an employee retirement plan covering substantially all of its employees. Employer contributions to the plan are 10% of an eligible employee's compensation. Retirement plan expense for the years ended December 31, 2021 and 2020 was \$63,869 and \$68,155, respectively.

NOTE 10 - SUPPORT FROM MAJOR DONORS

The Organization received 21% and 37% of contribution revenue from two donor companies during the years ended December 31, 2021 and 2020, respectively. One donor company comprises 13% and 31% of pledges receivable at December 31, 2021 and 2020, respectively. A significant reduction in the level of this support, if it were to occur, might have a significant effect on the Organization's allocations to agencies.

UNITED WAY OF THE CENTRAL SAVANNAH RIVER AREA, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE 11 - CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially expose the Organization to concentrations of credit risk consist primarily of cash and pledges receivable. Credit risk is generally diversified due to the large number of entities comprising the pledge base, although the geographic concentration in the Augusta, Georgia area and support from major contributors (See Note 10) results in the Organization being susceptible to economic conditions in the region.

The Organization maintains cash balances at several financial institutions located in Augusta, Georgia. At times, such balances may be in excess of the Federal Deposit Insurance Corporation (FDIC) insurance limits. Management believes the Organization is not exposed to any significant credit risk as a result.

NOTE 12 - LEASE COMMITMENTS

The Organization leases office space in Augusta, Georgia. The terms of the lease require a security deposit of \$2,342, equal to one month's rent. The lease was renewed and amended on December 31, 2013. The amendment extended the lease for nine years at the same monthly rate and required a \$150,000 one-time payment on December 31, 2013. This amount is included in prepaids and amortized over the life of the lease. The balance at December 31, 2021 and 2020 was \$16,667 and \$33,333, respectively. Rent expense for the years ended December 31, 2021 and 2020 was \$46,029 and \$50,698, respectively. Future minimum lease payments are as follows:

2022	<u>\$ 28,104</u>
Total	<u><u>\$ 28,104</u></u>

NOTE 13 - CONTINGENCIES

In March 2020, the Director General of the World Health Organization declared COVID-19 a pandemic. The Organization is still assessing the impact COVID-19 may have on its operations, but there can be no assurance that this analysis will enable the Organization to avoid part or all of any impact from the spread of COVID-19 or its consequences, including downturns in business sentiment generally. The extent to which the COVID-19 pandemic and global efforts to contain its spread will impact the Organization's operations will depend on future developments, which are highly uncertain and cannot be predicted at this time, and include the duration, severity and scope of the pandemic and the actions taken to contain or treat the COVID-19 pandemic.

Total expenditures of federal awards				<u>\$ 5,748,955</u>

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of the United Way of the Central Savannah River Area, Inc. (the "Organization") for the year ended December 31, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position or changes in net assets of the Organization.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Organization has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE 3 - NON-CASH AWARDS

United Way of the Central Savannah River Area, Inc. did not receive any non-cash federal awards during the year ended December 31, 2021.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
United Way of the Central Savannah River Area, Inc.
Augusta, Georgia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Way of the Central Savannah River Area, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated May 11, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered United Way of the Central Savannah River Area, Inc.'s internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of United Way of the Central Savannah River Area, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether United Way of the Central Savannah River Area, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
United Way of the Central Savannah River Area, Inc.
Augusta, Georgia

Report on Compliance for Each Major Federal Program

Opinion on Each Major Program

We have audited United Way of the Central Savannah River Area, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on United Way of the Central Savannah River Area, Inc.'s major federal program for the year ended December 31, 2021. United Way of the Central Savannah River Area, Inc.'s major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the United Way of the Central Savannah River Area, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the United Way of the Central Savannah River Area, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of United Way of the Central Savannah River Area, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to United Way of the Central Savannah River Area, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on United Way of the Central Savannah River Area, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about United Way of the Central Savannah River Area, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding United Way of the Central Savannah River Area, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of United Way of the Central Savannah River Area, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of United Way of the Central Savannah River Area, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
