INDEPENDENT AUDITOR'S REPORT

To The Board of Directors United Way of the Central Savannah River Area, Inc. Augusta, Georgia

Opinion

We have audited the accompanying financial statements of United Way of the Central Savannah River Area, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of the Central Savannah River Area, Inc. as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Information section of our report. We are required to be independent of United Way of the Central Savannah River Area, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of the Central Savannah River Area, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Information

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of United Way of the Central Savannah River Area, Inc.'s internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way of the Central Savannah River Area, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 11, 2023, on our consideration of United Way of the Central Savannah River Area, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the United Way of the Central Savannah River Area, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering United Way of the Central Savannah River Area, Inc.'s internal control over financial reporting and compliance.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ACTIVITIES - Incorporated in 1951, United Way of the Central Savannah River Area, Inc. ("United Way" or "United Way of the CSRA") conducts the annual United Way fundraising campaign and distributes the monies to other charitable organizations. United Way also provides planning and other forms of support to numerous charitable organizations in the Central Savannah River Area. United Way of the CSRA unites people and mobilizes community resources to create lasting changes that transform lives. United Way, which is governed by a volunteer Board of Directors, is committed to complying with United Way Worldwide Cost Deduction Standards.

NET ASSETS - The Organization's net assets are classified as follows:

<u>Net assets without donor restrictions</u> - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of United Way's management and the Board of Directors.

<u>Net assets with donor restrictions</u> - Net assets that are subject to stipulations imposed by donors and grantors. Some donor restriction depending on the existence and/or nature of any donor-imposed restrictions. Net assets with donor restrictions are reclassified to net assets without donor restrictions when the donor restrictions have been met. The Organization chooses to show contributions with donor restrictions (including contributions of long-lived assets) whose restrictions are met in the same reporting period as contributions without donor restrictions.

ESTIMATES - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

QUASI-ENDOWMENT FUND - In 2018, United Way of the CSRA entered into an agreement with The Community Foundation of the CSRA (the "Foundation") to establish and maintain a quasi-endowment for the purpose of providing long-term support for the ongoing operations of the United Way of the CSRA. The fund totaled \$38,593 and \$49,002 at December 31, 2022 and 2021, respectively and is included in beneficial interest in assets held by Community Foundation. The funds maintained at the Foundation are included in net assets with donor restrictions in the accompanying statements of financial position.

SUPPORT AND EXPENSES - Contributions received and unconditional promises to give are measured at their fair value and are reported as an increase in net assets. United Way reports gifts of cash and other assets as support with donor restrictions if they are received with donor stipulations that limit the use of donated assets, or if they are designated as support for future periods. When a donor restriction has been met, that is when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period are reported as support without donor restrictions. Donor designated contributions are reported as reductions to United Way's support.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

United Way reports gifts of goods and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit donor restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as support with donor restrictions. Absent explicit donor stipulation about how long those long-lived assets must be maintained, United Way reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

When material, unconditional promises to give receivable more than one year from the statement of financial position date are stated at their present value using a discount rate commensurate with the uncertainty involved. Favorable variances on United Way's provision for uncollectible pledges are recognized as contributions, whereas unfavorable variances are recognized as bad debts expense. Both are recognized in the year the variance occurs.

Expenses are recorded when incurred in accordance with the accrual basis of accounting.

PROGRAM SERVICE ACCOMPLISHMENTS - United Way's programs are described below:

Program Service Accomplishments:

Grant Awards for Local Programs

Using contributions from the annual campaign, United Way of the CSRA distributes funds to 40 health and human service programs at 28 partner agencies. Program grant requests are made annually and include budget information as well as proposed impact of funds. Quarterly success stories, outcomes logic models, and annual total service reports are required under United Way's partnership agreement. Partner agencies also submit annual IRS Form 990s and audits as per UW policies.

These funded programs are reviewed annually by groups of community volunteers to ensure appropriate usage of funds. Volunteers complete site visits and in-depth reviews of program accomplishments. Funding is targeted towards programs demonstrating an impact on the community. United Way's funding policies are designed to ensure the greatest accountability for donors' funds and the greatest impact on individuals in our local community.

Funded Programs achieve outcomes within the following impact areas:

- 1) Childhood Success
- 2) Youth Success
- 3) Workforce Development
- 4) Access to Resources

211 Information and Referral Program

The concept of 211 – an easy to remember 3-digit dialing code that connects people with professionally delivered information and referral to health, community, and human services – was born in Atlanta in 1997 through the leadership of United Way of Greater Atlanta.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Locally, 211 has significant impact on the quality of life throughout the community. In 2022, United Way of the CSRA's 211 information and referral specialists assisted 23,452 callers and web inquiries. In addition, 211 provided support to specific agencies that offered direct service in the area of emergency shelter, emergency rent and utility assistance. Providing a database of wide-ranging volunteer opportunities assists non-profit agencies in every sector of the community in maintaining a supply of dedicated, enthusiastic workers and donors to fulfill the mission of their organization. 211 is there when people need it, a vital, proven part of the human service infrastructure.

Emergency Rent and Utility Assistance

In addition to the usual referrals made by 211 information and referral specialists, United Way of the CSRA partnered with Augusta-Richmond County's Housing and Community Development department to provide rent and/or utility assistance to Richmond County residents impacted by COVID-19 for a second year. Funding for this program is provided by the US Department of Treasury's Emergency Rental Assistance (ERA) Program as a part of the COVID19 Economic Relief package of the American Rescue Plan. Support for families included up to 15 months in rental arrears, past due power, water, and gas bills as well as an additional three months of prospective rent if required for the family to remain stably housed. United Way received \$5,486,367 in 2021 to assist with our internal capacity to administer the program as well as the funding for the direct services to clients. The project was renewed in 2022 at \$5,046,910. An additional amount \$7,800,000 million was reallocated to Richmond County and made available to United Way of the CSRA midway through the year. This additional amount was only available in December, but allowed United Way of the CSRA to save the previous awarded amount for the 2023 calendar year. In 2022, United Way of the CSRA provided 1,783 households with \$4,541,499 in assistance.

Rent and Utility Assistance is the primary need of those individuals using the 211 Information and Referral services. United Way of the CSRA uses additional donations, such as proceeds donated from the annual Guitar Pull event sponsored by Beasley Broadcasting Group and other private donations designated for this specific purpose, to provide services to people in need who may not qualify under the ERA Assistance program specific to Richmond County. These funds provided 377 additional households with rent and/or utility assistance for 2022. These households included families of Richmond County, but also families of surrounding counties.

AmeriCorps VISTA (Volunteers in Service to America)

United Way's AmeriCorps VISTA program, Project UNITE, is part of the national service program designed specifically for the purpose of fighting poverty. United Way serves as a regional intermediary agency and is assigned up to 17 AmeriCorps VISTA members who serve full-time for one year with area schools and other community-based education-related organizations for capacity building in the area of parent and community engagement. AmeriCorps VISTAs help build human capacity, financial capacity, and social capacity in host sites and/or schools where they are assigned. United Way of the CSRA receives support funds necessary for regional program supervision and oversight from the Corporation for National Community Service. In 2022, this program served the 6 organizations including 4 Columbia County schools, engaged more than 127 volunteers and leveraged over \$30,000 of cash (grants, donations and fundraising) and non-cash resources (in-kind goods and services) to support community nonprofits, and identified numerous partnerships.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Additional United Way of the CSRA Program Services

Single Care Prescription Assistance

Through the Single Care prescription assistance card program (formerly called FamilyWize), United Way saved the community \$265,914 in 2022. These free-of-charge prescription discount cards offered by United Way were used by 3,098 people through five local counties. Single Care cards can be used by anyone, insured or uninsured, for prescriptions and offer an average savings of approximately 40% or more. Since its local launch in 2007, Single Care has provided a total savings of \$3,059,958 to CSRA residents.

Other Grants and Initiatives

Through other special grants, initiatives and collaborations, United Way positions itself as a community leader in addressing needs. These projects include additional federal, state, and local grants, special assistance, community engagement, early childhood training and education, and a host of other projects. United Way seeks out collaborations with the corporate, non-profit, faith-based, government, civic and educational communities and continually engages new partners and strategies. Some of the impacts made in 2022 include those listed here.

- Partnerships with the private sector, as well as the Richmond County, Columbia County, Burke
 County and Wilkes County school system, supported our annual Stuff the Bus back to school
 event. Donors contributed 29,956 school supply items valued at \$68,510. These items were sent
 directly to the school systems for distribution by the counselors and social workers to children in
 need.
- The AmeriCorps VISTA members collected 17,676 hygiene products valued at \$23,470 from the community at large to support local shelters. The hygiene products are put into personal care kits for homeless or transient individuals coming into the shelters with no personal items. These items are vital to a person's health and overall sense of well-being.
- Our 211 team reaches out to Bombas each year for donations of socks. Undies are often donated by individuals throughout the community as well as small groups. These socks and undies are gifted to the local school systems for children to receive when needed. In 2022, Bombas provided 10,000 pairs of socks, 600 underwear, and 360 t-shirts. This allowed for us to also provide socks to the local homeless shelter.
- United Way receives funds from a grant and Lyft partnership called Ride United. This allows the 211 team to reserve Lyft rides for callers in need of transportation. In 2022, 741 Lyft Rides were provided for people in need of transportation to jobs, medical appointments, and school.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Donated services and goods

Approximately 1,003 volunteers have donated approximately 10,827 hours to United Way's program services and fundraising campaign during the year; however, these donated services are not reflected in the financial statements since the services do not meet the requirements to be recorded under generally accepted accounting principles.

Materials and other assets received as donations are recorded as contributions of non-financial assets and reflected in the accompanying financial statements at their fair values at the date of donation. Included in program services in the accompanying financial statements are expenses of \$275,452 and \$329,743 for the years ended December 31, 2022 and 2021, respectively, paid for grants administered by United Way and paid by other agencies.

CASH AND CASH EQUIVALENTS - United Way considers all highly liquid investments with a maturity at the time of purchase of three months or less to be cash equivalents. United Way places its cash and cash equivalents with high quality financial institutions. At times, such balances may be in excess of the Federal Deposit Insurance Corporation (FDIC) Insurance limits. Management believes the Organization is not exposed to any significant credit risk on United Way's cash and cash equivalents.

RESTRICTED CASH - Cash identified on the statement of financial position as restricted cash represents funds received and held for donor and grantor designated purpose.

AVAILABILITY OF FUNDS FOR GENERAL EXPENDITURES - United Way has certain net assets that are available for general expenditures within one year of December 31, 2022 and 2021 based on conducting the normal activities of its programs in the coming year. Accordingly, the related resources have been included in the quantitative information detailing the financial assets available to meet general expenditures within one year (See Note 2).

PROVISIONS FOR UNCOLLECTIBLE PLEDGES - A provision for uncollectible pledges is computed based upon a historical average adjusted for management estimates of current economic factors and applied to the accounts receivable balance at year end. (See Note 3).

EQUIPMENT - Equipment with a useful life of greater than one year and with a cost of \$1,000 or more is considered a capital asset. Equipment is recorded at cost (or fair value of donated assets) and is depreciated using the straight-line method over an estimated useful life of 3-7 years.

DEFERRED REVENUE - Deferred revenue consists of grant amounts received but not yet expended for the grant of designated purposes.

ADVERTISING COSTS - Advertising costs, including amount within in-kind separately stated on the statements of functional expenses, are expensed as incurred and totaled \$11,075 and \$6,265 for the years ended December 31, 2022 and 2021, respectively.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

INCOME TAXES - United Way is not-for-profit organization that is exempt from Federal Income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, United Way has been classified as an organization that is not a private foundation under Section 509(a)(2). United Way is not aware of any material uncertain tax positions as of December 31, 2022.

EXPENSE ALLOCATION - The costs of providing various programs and activities have been summarized of a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

Expenses of the United Way include:

Program services expenses - Program services expenses include direct costs associated with providing funding to other charitable organizations, fulfilling grant obligations, funding the community investments, and running the 2-1-1 information and referral program.

Management and general expenses - Management, general, and marketing expenses included the general, administrative, and operating costs of United Way.

Resource development and fundraising expenses - These expenses include costs incurred from soliciting donations through workplace campaigns, special events, and other activities that raise resources for United Way and the community.

The statements of functional expenses present expenses by function and nature classification. Expenses directly attributable to a specific functional area of United Way are reported as expenses of those functional areas. A portion of general and administrative costs that benefit multiple functional areas (indirect costs) have been allocated across programs and other support services based on the proportion of full-time employee equivalents of a program or other support service versus the total organizational full-time employee eequivalents.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, health & life insurance, retirement, payroll taxes, supplies - office, telephone, occupancy, general insurance, a portion of gifts in-kind, depreciation expense of equipment, and United Way Worldwide investment, which are allocated on the basis of estimates of time and effort. The remaining expenses do not require allocation and are directly attributable to a specific functional area and are therefore reported as such.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

ADOPTION OF NEW ACCOUNTING PRONOUNCEMENTS - In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. The standard requires lessees to recognize the assets and liabilities that arise from leases on the statement of financial position. The Organization adopted ASU 2016-02 and its related amendments as of January 1, 2022.

In September of 2020, FASB issued ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. The new guidance requires nonprofit entities to present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash or other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. ASU 2020-07 is applied retrospectively and is effective for years beginning after June 15, 2021. The Organization adopted ASU 2020-07 effective January 1, 2022.

RECLASSIFICATIONS - Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

SUBSEQUENT EVENTS - The Organization has evaluated subsequent events through July 11, 2023, the date the financial statements were available to be issued.

NOTE 2 - LIQUIDITY

The Organization's financial assets available within one year of the balance sheet date for general expenditure are as follows at December 31:

	2022	2021
Cash	\$ 1,328,645	\$ 1,552,659
Pledges receivable, net	461,297	331,350
Accounts receivable, net	867,336	309,943
	\$ 2,657,278	\$ 2,193,952

The Organization maintains cash sufficient to fund all donor or Board-designated obligations. At year-end, the Organization had financial assets which consist of cash and cash equivalents, pledges receivable and accounts receivable sufficient to meet approximately 4 months of normal operating expenses which are, on average, approximately \$609,000 per month. As part of its liquidity management plan, United Way has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations become due. Additionally, United Way invests excess cash in short-term investments, including interest bearing checking and savings accounts.

NOTE 3 - PLEDGES RECEIVABLE

Included in pledges receivable are the following unconditional promises to give at December 31:

	2022		2021		
2020 Fall campaign	\$	-	\$	249,793	
2021 Fall campaign	300,8	79		238,687	
2022 Fall campaign	343,0	68		-	
Less provision for uncollectible pledges	(182,6	50)		(157,130)	
N	ф. 4C1 2	.07	Ф	221 250	
Net campaign pledges receivable	\$ 461,2	.97	\$	331,350	

NOTE 4 - BENEFICIAL INTEREST IN ASSETS HELD BY THE COMMUNITY FOUNDATION

During 2018, the Organization transferred assets to The Community Foundation for the Central Savannah River Area (the "Community Foundation") which is holding them as endowed component funds ("Funds") for the benefit of the Organization. The assets transferred to the Funds include assets with donor restrictions for the quasi-endowment fund and assets with donor restrictions for the United Service Organization. The Organization has granted the Community Foundation variance power which gives the Community Foundation's Board of Directors the power to use the Funds for other purposes in certain circumstances. The Funds are subject to the Community Foundation's investment and spending policies. The Community Foundation's Board of Directors has established an annual spendable amount which is available for distribution from the Funds each year. Currently, this spendable amount is 4.5% of the threeyear average of the annual fund balance. The Organization's representatives may request different distributions from the Funds as they see fit, subject to the Community Foundation's approval. Any portion of the income and earnings not expended in any given year will be accumulated and reinvested by the Community Foundation. Such accumulations are defined as income and are available for use in subsequent years to sustain the mission of the Organization. The Organization reports the fair value of the Funds as Beneficial Interest in Assets Held by the Community Foundation in the statements of financial position and reports distributions received as investment income, when applicable. Changes in the value of the Funds are reported as gains in the statements of activities.

Changes in Funds for the year ending December 31 are as follows:

	2022	2021
Beginning balance Share of gain (loss) of pooled investments Administrative fees	\$ 152,888 (23,417) (1,604)	\$ 133,174 21,398 (1,684)
	\$ 127,867	\$ 152,888

Funds, stated at fair value, at December 31, 2022 and 2021 consisted of pooled investments.

NOTE 5 - FURNITURE AND EQUIPMENT

The following is a summary of furniture and equipment at December 31:

	2022		 2021
Furniture and equipment Less accumulated depreciation	\$	108,962 (75,726)	\$ 110,631 (87,802)
	\$	33,236	\$ 22,829

NOTE 6 - PAYROLL PROTECTION PROGRAM LOAN

The Organization received a loan the Paycheck Protection Program established by the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The Organization received 100% loan forgiveness of the principal totaling \$175,157 and interest of \$1,806 in May 2021. The forgiveness is recognized as other income during the year ended December 31, 2021.

NOTE 7 - NET ASSETS AND RESTRICTIONS

Net assets with donor restrictions are restricted for the following purposes or periods at December 31:

	 2022	2021		
Subject to expenditure for specified time:	_		_	
Fall Campaign (2022 and 2021)	\$ 727,002	\$	668,790	
Subject to expenditure for specified purpose:				
Various local initiatives	105,057		42,776	
United Service Organization	80,000		80,000	
Quasi-endowment fund	 31,575		31,575	
Total net assets with donor restrictions	\$ 943,634	\$	823,141	

NOTE 8 - FAIR VALUE MEASUREMENTS

The framework used to measure fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Quoted prices in active markets for identical securities that the Organization has the ability to access
- Level 2: Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment spreads, credit risk, etc.)
- Level 3: Significant unobservable inputs (including the Organization's own assumptions in determining the fair value of investments)

The inputs and methodology used for valuing the Organization's financial assets and liabilities are not indicators of the risks associated with those instruments. There have been no changes in the methodologies used.

Pooled investments - The investments maintained at the Community Foundation for the Central Savannah River Area are valued at the amount provided by the Community Foundation at December 31, 2022 and 2021 based on the Foundation's proportionate share of the total fair market value of the Foundation's pooled investment account.

	Fair Value	Quoted Market Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2022 Pooled investments	\$ 127,867	\$ -	\$ 127,867	\$ -
2021 Pooled investments	\$ 152,888	\$ -	\$ 152,888	\$ -

NOTE 9 - RETIREMENT PLAN

The Organization sponsors an employee retirement plan covering substantially all of its employees. Employer contributions to the plan are 10% of an eligible employee's compensation. Retirement plan expense for the years ended December 31, 2022 and 2021 was \$69,508 and \$63,869, respectively.

NOTE 10 - SUPPORT FROM MAJOR DONORS

The Organization received 42% of contribution revenue from four donor companies and 21% of contribution revenue from two donor companies during the years ended December 31, 2022 and 2021, respectively. Two donor companies comprise 27% and one donor company comprises 13% of pledges receivable at December 31, 2022 and 2021, respectively. A significant reduction in the level of this support, if it were to occur, might have a significant effect on the Organization's allocations to agencies.

NOTE 11 - CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially expose the Organization to concentrations of credit risk consist primarily of cash and pledges receivable. Credit risk is generally diversified due to the large number of entities comprising the pledge base, although the geographic concentration in the Augusta, Georgia area and support from major contributors (See Note 10) results in the Organization being susceptible to economic conditions in the region.

The Organization maintains cash balances at several financial institutions located in Augusta, Georgia. At times, such balances may be in excess of the Federal Deposit Insurance Corporation (FDIC) insurance limits. Management believes the Organization is not exposed to any significant credit risk as a result.

NOTE 12 - CONTRIBUTED NONFINANCIAL ASSETS

For the years ending December 31, 2022 and 2021 contributed nonfinancial assets recognized within the statement of activities included:

	2022		2021	
Capacity Building for Partner Agencies	\$	275,452	\$	329,743
Improving Health Outcomes for the Homeless		71,050		16,650
Education Intervention		64,800		25,503
IT Services		33,900		33,900
Health and Safety Protection		25,449		49,360
Resource Development and Special Events		3,770		4,432
Marketing and Advertising		1,710		2,288
Other Operating Expenses				880
	\$	476,131	\$	462,756

Contributions of nonfinancial assets were utilized during the years ending December 31, 2022 and 2021. Contributed support services expenses in the amount of \$21,556 and \$25,269, respectively, and program expenses in the amount of \$454,575 and \$431,427, respectively, are valued and are reported at the actual cost at the time of the donation.

NOTE 13 - LEASE COMMITMENTS

The Organization adopted ASU 2016-02, *Leases (Topic 842)*, and its related amendments as of January 1, 2022. The Organization is obligated under one operating lease. Included in right of use assets on the balance sheet at December 31, 2022 an office building. The lease is for three years with one option to renew for two additional years. The exercise of lease renewal options is at the Company's discretion. The Company evaluates renewal options at lease inception and on an ongoing basis and includes renewal options that it is reasonably certain to exercise in its expected lease terms when classifying leases and measuring lease liabilities. The Company elected the short-term lease practical expedient of not recording leases on its combined balance sheet when the leases have a term of 12 months or less and the Company is not reasonably certain to elect an option to purchase the leased asset. The lease agreement does not require material variable lease payments, residual value guarantees or restrictive covenants.

Operating lease expense for the year ending December 31, 2022 was \$28,953. Cash paid to reduce operating lease liabilities during 2022 was \$28,953. As of December 31, 2022, the remaining lease term for this operating lease was 5 years. Because the Company generally does not have access to the rate implicit in the lease, Management utilizes a risk free rate. The discount rate associated with the operating lease as of December 31, 2022 was 3.94%.

Future payments due under operating leases are as follows as of December 31:

2023	\$ 58,601
2024	58,601
2025	58,601
2026	60,000
2027	60,000
Total	295,803
Less effects of discounting	(26,980)
Lease liability recognized	\$ 268,816

SUPPLEMENTARY INFORMATION (See Independent Auditor's Report)

UNITED WAY OF THE CENTRAL SAVANNAH RIVER AREA, INC. SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS YEAR ENDED DECEMBER 31, 2022

Grantor	Program		Pass-through Grantor	Federal Expenditures		
Corporation for National and Community Service						
Total Corporation for National and Comm	Volunteers in Service to America Martin Luther King Jr Day of Service Grants nunity Service	94.013 94.014	Augusta-Richmond County Georgia Augusta-Richmond County Georgia	\$ 29,156 13,908 43,064		
Department of Housing and Urban Development						
	Emergency Solutions Grant Program	14.231	Augusta-Richmond County Georgia	14,155		
Department of the Treasury	Emergency Rental Assistance		Augusta-Richmond			
	Program	21.023	County Georgia	4,873,582		
Total expenditures of federal awards				\$ 4,930,801		

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of the United Way of the Central Savannah River Area, Inc. (the "Organization") for the year ended December 31, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position or changes in net assets of the Organization.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Organization has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

NOTE 3 - NON-CASH AWARDS

United Way of the Central Savannah River Area, Inc. did not receive any non-cash federal awards during the year ended December 31, 2022.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors United Way of the Central Savannah River Area, Inc. Augusta, Georgia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Way of the Central Savannah River Area, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 11, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered United Way of the Central Savannah River Area, Inc.'s internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of United Way of the Central Savannah River Area, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether United Way of the Central Savannah River Area, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors United Way of the Central Savannah River Area, Inc. Augusta, Georgia

Report on Compliance for Each Major Federal Program

Opinion on Each Major Program

We have audited United Way of the Central Savannah River Area, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on United Way of the Central Savannah River Area, Inc.'s major federal program for the year ended December 31, 2022. United Way of the Central Savannah River Area, Inc.'s major federal program is identified in the summary of Auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the United Way of the Central Savannah River Area, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the United Way of the Central Savannah River Area, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of United Way of the Central Savannah River Area, Inc's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to United Way of the Central Savannah River Area, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on United Way of the Central Savannah River Area, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about United Way of the Central Savannah River Area, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding United Way of the Central Savannah River Area, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of United Way of the Central Savannah River Area, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of United Way of the Central Savannah River Area, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
