Together, we're making an impact.

United We Fight, United We Win.

United Way of the CSRA fights for the health, education, and financial stability of every person in our community. No matter the obstacles and no matter the odds, we surround our community's most critical problems, and we fight. We fight for those who need a voice and those whose names we do not know... because change doesn't happen alone.

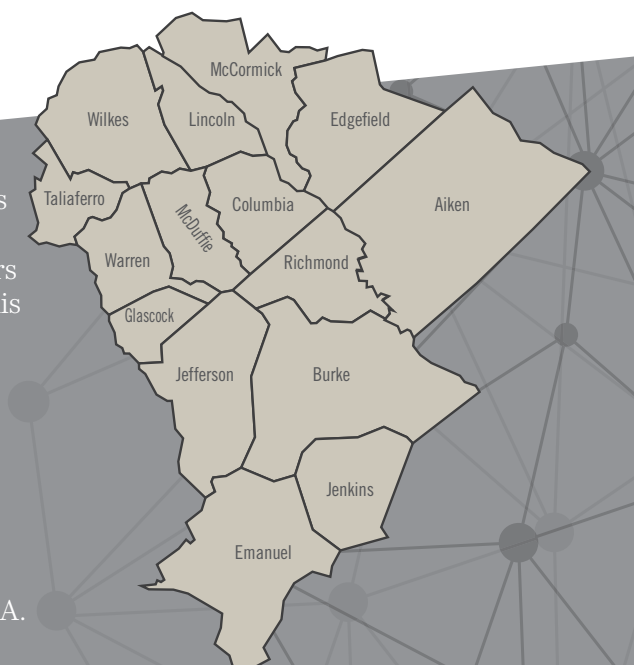

We win by living United... by forging unlikely partnerships, by finding new solutions to old problems, by mobilizing the best resources. And, we inspire others to join the fight against our community's most daunting social crises.

This is your opportunity to help change lives. Please contribute to United Way today to help improve the quality of life for your family, friends, neighbors, and those you may never meet.
